

SC INDUSTRIAL

SC Industrial is engineered to deliver advanced performance in commercial and industrial applications. The SC Industrial's two-inch thick, polyurethane insulated panels have an R-Value of 19 that answers the demand for greater thermal efficiency, durability and design flexibility. This door is the ideal choice for protection against heat or cold for virtually all commercial building applications.

SIZING OPTIONS

Headroom requirements may vary on doors. Track selection subject to weight parameters.

DOOR PRODUCT		SC INDUSTRIAL
